## Newsletter, Website & Photo Permission

Due to the large cost of printing our fortnightly newsletter and other notices sent home, and in our endeavour to become a Sustainable School, we encourage families to receive communications from the school via email.

A paper newsletter is still produced and will be available to those families who do not have internet access or who choose to receive a hard copy along with black and white copies available in the front office. A coloured copy of all Newsletters for the year can be accessed on the school website.

All notes sent home with students are uploaded onto our website. If you misplace your copy or – we ask that you download the notice from this website. This will save you having to contact the school and extra printing costs for the school.

**Please complete your email details on the attached form and return to the school ASAP.**
