## E-News 19 June 2020

Good afternoon **Subscribers Name**

Our term is certainly flying by with only 2 more weeks of school left before the end of term. We have had a super busy week this week - make sure you take the time to read the articles below and check out all the fun photos.

Thank you to all our parents for keeping to the COVID restrictions regarding being on school site. Our pick up and drop off arrangements continue to be a big success. Parent help has commenced via roster systems within the classrooms and parent/teacher interviews have been taking place by appointment all week. Your co-operation is greatly appreciated.

### Reminders

We have a few reminders for our school community this week as a lapse in some protocols is causing issues within the school.

- **Children's hair** needs to be tied up to come to school. It is very hard to concentrate on their work with hair hanging in their face. Long hair also facilitates the spread of headlice amongst students. This reminder is for both boys and girls. Thank you for your co-operation.
- Our school grounds have seen a very unwanted rise in **Dog Poop** incidents over the last two weeks - if you use the school oval to walk your dog or know of others who do, please remember to clean up after your dog.
- **Lost Property** continues to be an issue to parents. Students are being reminded that they are responsible for their own belongings on our morning notices each week. Staff do return clothing that is named to the owner, but the lost property basket is again full of near new jumpers that are not named. Please take the time to name your child's belongings and remind you child to look after their own jumpers.
- **Kindergarten Enrolments** for 2021 close on 24 July 2020. If you know of anyone who requires a place in our program please remind them to enrol now.

### Honour Certificates

Today's Honour Certificate recipients had their names and accomplishments read out over the PA system today. Congratulations, keep up your great work.

## Campfire Fun

Our Kindergarten students had lots of fun this week..... Centre 1 had lots of fun during week 8 with a campfire, roasting marshmallows and drinking hot chocolate at school. Which was very appropriate for the cold weather that we have had this week.

We had a pretend campfire and teepees in the classroom as our dramatic play area and the children had lots of stories about camping with their families.

The students had a safety first lesson on fire and hot things, before we went out in groups of seven to sit around the fire and toast our marshmallows on sticks. The fire was placed in the Junior Garden area on the concrete for safety. When everyone had finished their turn, we sat and drank hot chocolate with tiny marshmallows in the classroom.

All of the children listened carefully to the instructions and had lots of fun !
