

Little Grove PRIMARY SCHOOL

A Proud Independent Public School

E-News 1 May 2020

Good afternoon Subscribers Name

Our students had a great first day back for Term 2 at Little Grove PS. Our staff were very happy to see our students again. We have around 66% of students attending for face to face lessons while the rest are learning at home. Welcome back everyone and we hope to see 100% attendance again when this COVID-19 situation is over.

A big thank you to those parents who sent messages of thanks and compliments to our staff over the past month. This feedback was a huge boost to staff, knowing that their efforts were well received and appreciated by families.

We have our very own 'Corona Buster' onsite this term, assisting us to keep germs at bay. She is busy disinfecting door handles, desks, chairs, switches and even the playground equipment at set intervals throughout the school day.

Our cleaning staff always do a fabulous job keeping our school spick and span and their extra efforts and care during this time are also greatly appreciated.

Students learning from home have been completing online studies as well as a range of fun activities set by our specialist teachers. Sensei Eaton set the challenge of eating a bowl of popcorn with chopsticks, which has proved very popular with students. Ms Upchurch also set some sporting challenges including practicing your cricket skills in the back yard. We have reports of children digging out their lego for amazing construction activities and we are very happy to hear that books are being read by the dozen! - Well done everyone, keep up the great work.

Wishing everyone a great weekend.
