

Little Grove PRIMARY SCHOOL

A Proud Independent Public School

E-News 29 May 2020

Good afternoon Subscribers Name

The COVID restrictions have seen many changes in the way we usually do things over the past few months. Coming to school is no exception. We have seen a great rise in resilience amongst the students, as they currently need to make their own way to class and set up their desks for the days learning. Everyone is rising to the challenge and some have actually become super confident in realising they can do things by themselves.

It is great to see that children are beginning to automatically wash their hands more often and are requiring less reminders to do so. Great job everyone.

One of the roles our parents usually fill each morning is reading in the Junior classes. As this is not possible at the moment, we are happy to let you know that some senior students have stepped up to fill this position. Ruby and Emma have been visiting Room 2 each morning and listening to students do their morning reading. The girls are super excited to be helping Mr Corson and his students and the readers are gaining confidence from the feedback the senior girls are giving them. Well done everyone.

P&C Virtual Meeting

Our P&C have come up with the wonderful idea of holding their Annual General Meeting online. This should allow many more parents to join in with the meeting as there is no need to worry about babysitters, as you are in the comfort of your own home. Wear your comfy clothes, grab a cuppa (or something stronger if you wish), sit with your computer or tablet and join the committee to discuss the direction of the P&C in the coming year.

The P&C are looking for new people to fill key roles within the committee - so if you are interested in taking up a position, lending a helping hand, finding information or sharing your ideas etc. please contact the current President via email to receive your personal login to the virtual meeting - gemsandy8@yahoo.com.au (See full advert later in the E-News)

Lets make this the largest meeting we have every had - remember many hands make light work !

WA Day Public Holiday this Monday

To help us celebrate WA Day and Reconciliation Week, we are holding a colouring in competition. We have a Junior Primary (Pre-primary to Year 2) sheet with Noongar Barna Animals and for the Seniors (Years 3 to 6) we have a sheet with the six Noongar Seasons. The winners will receive a certificate and a prize (to be announced later). We will also select pieces of artwork to be used later in the year for our new Bush Tucker garden and new LGPS Nature Trail signage. Students names of the artwork we use, will be recognised. Just like we did on our Groovy Grover signs around the school.

Best of luck. Entries close Friday 5 June 2020 at 10am. The Judges will be Mr Martin and Mrs Bassett.

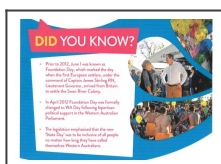

Students have received a paper copy of the colouring in page in class today, but there is link below, if you need another copy.

This colouring in competition is to be completed at home and not in class time.

Good Luck and have a safe and relaxing long weekend.

Why are we Having a Long Weekend ?

Monday is a public holiday across Western Australia - but do you know why ?

.....

WHAT IS WA DAY?

WA Day is held each year on the first Monday in June. It's a day to celebrate all Western Australians, recognising our Aboriginal history, early European settlers and the many people from all over the world who have made, and continue to make, Western Australia their home.

DID YOU KNOW?

- Prior to 2012, June 1 was known as Foundation Day, which marked the day when the first European settlers, under the command of Captain James Stirling RN, Lieutenant Governor, arrived from Britain to settle the Swan River Colony.
- In April 2012 Foundation Day was formally changed to WA Day following bipartisan political support in the Western Australian Parliament.
- The legislation emphasised that the new 'State Day' was to be inclusive of all people no matter how long they have called themselves Western Australians.
