

Little Grove PRIMARY SCHOOL

A Proud Independent Public School

E-News # 29 - 18 October 2019

Good afternoon **Subscribers Name**

We hope everyone had an enjoyable and restful holiday and are all refreshed for the very busy final term for 2019.

Classes for 2020

We are currently planning 2020 classes based on our available resources. Class structures will depend upon confirmation of enrolments for next year.

If you have a request for your child/children to be placed in a certain class due to educational reasons, I must receive a written or emailed request stating the reason by 1 November 2019 for it to be considered. All written requests should be addressed to:

Mr Darryn Martin - Principal
Little Grove Primary School
Gordon Street
Little Grove WA 6330

Email requests send to darryn.martin@education.wa.edu.au

Please note that the information contained in your class request will not be confidential to the Principal only and may be used in our performance management process for our teachers.

All written or email requests will be considered, whilst taking into account academic, non-academic and behavioural considerations. Please note: most, if not all, of our classes in 2020 may be multi-age due to the size of our school and available financial and human resources.

If you are aware that your child/ren will not be attending Little Grove Primary next year please advise the school office now. Please be assured that you will not lose your place in the school should your circumstances change after you have informed us you may be leaving, this information is solely used to gauge expected student numbers for funding and staffing purposes.

Illness

We are now past the winter period, although there are still many cold, flu and gastro infections in the community. Please be mindful of others - keep your child at home if they are unwell and until they are symptom free. It is required that children stay at home for at least 24 hours after vomiting to minimise the spread of any infection to other children or our school staff.

Lost Property

We still have an enormous amount of lost property - clothing, lunch containers and drink bottles. This will be the final call for parents to please check the lost property baskets before the mountain of items are donated to the uniform shop to be sold as second-hand items. All items still onsite by next Friday will be donated. This is also a reminder of the importance of putting your family name on all items sent to school.

Wishing you a great week ahead.
